

Using your knowledge from class and the net for a map of the site, label each bridge with its name, type and if it is for rail or road  
Place an Arrow showing the North and another showing the direction of the city of Edinburgh, label them of course.  
Find, and place on the picture, the name of the river and its flowing direction toward the sea.  
Add an arrow pointing to the visting center we will see, label it FRC which stands for .....
